

## **WRIST MAY 2007 NEWSLETTER**

### **SURVEY: MOBILE MLS SOFTWARE**

We would like to invite you to take another survey from WRIST. This survey covers Mobile MLS Software which allows the user to search MLS listings from a Palm Pilot or Pocket PC via a Wireless Internet Connection. Marketlinx (the creators of MLXchange) have developed their own version of portable MLS software for handhelds. We would like to know if you have already employed a 3rd party software such as Pocket Real Estate Wireless or if you feel a need to have the MLS provide this service.

### **MLXchange Version 3.0 Enhancements**

MLXchange Version 3 will be released to the membership on May 8, 2007. Are you ready for the new version?

[Click here for the Marketlinx Newsletter which details all the enhancements.](#)

### **RPAC CORNHOLE TOURNAMENT**

The Tournament will be held May 30<sup>th</sup> during the MOAR RPAC Auction. The registration fee is only \$25.00 per team and all the registration fees will be donated to RPAC in the participant's name. Teams are made up of two people (any gender) and trophies will be given to the top two teams. Offices may register more than one team.

This is a great way to meet your fellow Realtors, raise money for RPAC (our political action group) and have fun. We are limiting registration to only twenty-four teams so don't delay in contacting WRIST to register your team.
